

Sept. 21, 1979

Dear Mom & Dad,

I am waiting for the Spaghetti sauce to cook, and Diane is watching Brady Brunch. Catherine and Debbie just went home after playing here for a couple of hours. Diane sure has a lot of friends to play with. Danny and Cathy come over often and yesterday Diane went home to Faith's house to have lunch and play, after Kindergarten.

I took the creases back to Sears today (the sweater is fine). I exchanged them for a raincoat, which Diane really

needed, and am also going to get another top to wear with pants. I think the cooler weather is approaching, and then Diane probably won't be wearing dresses as much.

We have a new black kitten. He is about 3 months old, and is very affectionate. Diane just loves him. He seems very content, and I've never even heard him meow!

Sunday we are going to the White House for a Broadway Revue, with Lucie Arnay, and then have dinner on the lawn. I'm going to wear my dress I bought at Nordstroms. Sally is coming to take care of Diane, which she likes.

I think I'm going to take a class on how to build a doll

house. It is three lessons on
Mon. in October, and you will
be here for 2 of them, and
can take care of Diane.

Here is a picture of Diane
the night before her party.
She was so excited. I took
a lot of pictures which you'll
see when you get here.

Our dinner is ready, so
I better go. Thanks for your
letter, mom..

Love,

Mary
